Audit Program

The audit began with an opening meeting. The discussion covered the scope and purpose of the audit, the audit schedule and process, and the escort responsibilities. The audit was performed in accordance with ABS procedures and as authorized under the above scope. The ABS audit team gathered objective evidence of compliance through the observation of daily activities, interviews of crew members, and the sampling of pertinent records on board the ship. This information was compared to the existing policies and procedures of the company and the requirements of the ISM Code to determine the levels of compliance obtained. The Audit Plan depicts the departments audited and clauses against which they were assessed.

NOTE: This report evidences that the survey reported herein was carried out in compliance with one or more of the Rules, guides, standards or other criteria of the American Bureau of Shipping and is issued solely for the use of the Bureau, its committees, its clients or other authorized entities. This Report is a representation only that the vessel, structure, item of material, equipment, machinery or any other item covered by this Report has been examined for compliance with, or has met one or more of the Rules, guides, standards or other criteria of American Bureau of Shipping. The validity, applicability and interpretation of this Report is governed by the Rules and standards of American Bureau of Shipping who shall remain the sole judge thereof. Nothing contained in this Report or in any notation made in contemplation of this Report shall be deemed to relieve any designer, builder, owner, manufacturer, seller, supplier, repairer or operator or other entity of any warranty, express or implied. This audit report must be retained, by the company, for a period not less than five years and must be made available to ABS auditor(s) upon request.

Preliminary Report

Vessel Name: WAN HAI 289
Work Order: 6392150
First Visit Date: 05-Jun-2024
Last Visit Date: 06-Jun-2024
ABS Office: Bureau Taiwan Branch
Taipei Admin
Audit Location: Kaohsiung

The audit ended with a closing meeting. The discussion included a review of the activities carried out, presentation of the non-conformances (if any), and review of the notable Observations made during the course of the audit.

A copy of the preliminary report, non-conformances and audit observations, if any, were left with the ship's Master at the conclusion of the audit. The final report supersedes the preliminary.
